Snooks

Has the dog ever bitten?

Yes

If yes, please explain in detail the severity of the wound (was the skin broken, did it leave a mark, bruise, etc)

The first time was in June of 2014. We lived in a duplex and there was a neighbor boy out in the back playing, and she nipped at him for no reason other than he was running around. The other time was in August 2018. We had our nephew over and we had put snooks in the bedroom to get him away from her and we didn't know that he had gone in there, and he was messing with her so she nipped at him. There was a little bit of blood on his cheek from her tooth but he was fine and we didn't let her near him after that.
